Liability Waiver

I am aware and fully understand that there are risks and dangers associated with participation in dance classes and different dance movements of the varied dance disciplines. These movements and activities could result in bodily injury, partial or total disability or death. The social and economic losses or damages which could result from these risks and dangers could be severe. I acknowledge that it is standard teaching protocol that students may be physically touched by a Rise Academy of Dance, ("RAD") Instructor during such student's instruction and I will not hold RAD liable for such physical touching. I understand that these risks and dangers may be caused by the negligence of the participant or the negligence of others. There may be risks not known to us or not foreseeable at this time.

I accept and assume all such risks and responsibilities of the losses and/or damages following such injury and/or disability however caused or alleged to be caused in whole or in part by the negligence of RAD, its Instructors, independent contractors, hosts, other participants/students, sponsors, advertisers, owners, officers and lessees of the premises used to conduct the event or activity and each of them, their officers, directors, agents and employees. I agree that this consent and assumption of risk statement covers each and every event or activity sponsored by RAD.

Consent for Emergency Treatment: In cases of emergency, RAD is authorized to arrange for medical services for the student and I consent to appropriate medical and surgical service recommended by licensed medical professionals. I accept full responsibility for all costs of said medical care and any emergency treatments. RAD will not be responsible for the cost of any medical care or emergency treatments. I hereby waive all claims whatsoever in connection with such medical treatments. I agree that RAD will not be held liable for and agree to hold RAD harmless from any and all liabilities, losses, damages or expenses related to the student's participation in any activities at RAD.

PART 2 – RELEASE & AUTHORIZATION FOR USE OF PHOTOGRAPHS & VIDEO You hereby agree that you or your Children may be photographed or filmed by or on behalf of RAD during the course of your participation in RAD Programs (any such material is referred to as your "Images"). You further agree that RAD shall have an irrevocable, perpetual, world-wide, royalty-free and fully assignable right and license to display, transmit, exhibit, distribute, publish, or otherwise use in any manner whatsoever, in whole or in part, any of your Images for RAD's marketing purposes, including, without limitation, in connection with any communication, advertisement, or promotion in any media whether now known or hereafter devised, including, without limitation on RAD's website, print ads and social media accounts. You acknowledge and agree that you will have no right to payment or other consideration in connection with RAD's use of any of your Images and that RAD has no obligation to produce or use any such Images. Once your Images have been published or otherwise publicly distributed, RAD will have no ability to take them down or prevent further distribution by others

Part 3: Coronavirus Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID-19

COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. It is believed that it can also live on and be transmitted through surfaces. I acknowledge that RAD has put preventative measures in place to reduce the spread of COVID-19; however, RAD cannot guarantee that my child(ren) or I will not become infected with COVID-19 or any other communicable disease or illness.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending classes at RAD and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at RAD may result from the actions, omissions, or negligence of myself and others, including, but not limited to, RAD employees, independent contractors, volunteers, and program participants and their families. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at any RAD programming.

On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless RAD, its employees, agents, and representatives, of and from all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of RAD, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any RAD program.

New studio protocols below:

Masks: (NEW POLICY)

We will require that students, parents, teachers, and staff **wear masks at all times** while on our premises. We do suggest that students bring more than one mask with them if they will be staying for multiple classes. When the masks get wet from sweat they are not as effective at filtering the air. When switching your mask for class, place it in its' own sealable bag near your belongings.

Entering and Exiting the Studio:

We will ask that everyone sign a wellness questionnaire as well as a new liability waiver that includes acknowledgement of the risks involved when entering our studio in relation to Covid-19 exposure. Those will be sent out this week, and need to be returned to us before your child's first in-studio class.

Students will need to wait outside before entering the lobby of the studio as we will be checking each students' temperature upon arrival.

There will be no waiting in the lobby. We will stagger class start and end times so that once one class leaves the building, our staff will clean, and then the next class can enter. We will make appointments to update payment methods, discuss class placements, etc.

Students will be dropped off and picked up ON TIME.

Extra Sanitation and Safety Procedures:

Our teachers and staff will sanitize ballet barres, doorknobs, light switches, stereo equipment, bathroom fixtures, and any high traffic areas between each class. Dance floors will be swept between each class and thoroughly sanitized every night.

Students will be required to sanitize their hands before and after class. It is recommended that students bring their own sanitizer and wipes; however, we will have plenty on hand as well.

Students should arrive in dance attire with their hair in a bun or ponytail. Changing clothes will not be permitted at this time. Students must keep their dance bags with them at all times.

We highly recommend that students bring their own yoga mat or towel for floor stretches.

Students must bring a change of shoes. Absolutely no street shoes allowed in the dance studio. Dance shoes, including your tennis shoes for Hip Hop classes, must be clean (not worn outside of the dance room).

Students must bring their own water bottle. Our water station has been removed for the time being.

Students will have limited access to the bathrooms, so please use the restroom at home if possible.

Class Size and Social Distancing Considerations

Each class will be limited to 8 students so that we can maintain the 6-foot social distancing requirements to open. As we re-open, the students will have both in-studio and online learning options.

Students must pre-register and pre-pay for classes. There will be no in-studio drop-ins at this time, and most makeups will need to be done in online classes due to the reduced schedule. If you cannot attend a class that you are registered for, please call into the studio to let us know, so we can call the next person on the waitlist to join class for that day.

We will use tape markings on the floor to visually cue our dancers so they can maintain their social distance from each other during class time.

We know how much you love your dance friends, but we ask that students refrain from high fives, handshakes, partner work, and hugs, and that teachers refrain from hands-on correcting for proper placement.
